

WRIGHTS GROVE BAPTIST CHURCH • OFFICE OF THE PASTOR

A WORD FROM THE PASTOR

On the New Member Orientation

Dear Sister Lareeta,

You have served this church family with faithfulness, and the way you welcome our new members in is some of the most important ministry happening at The Grove. I am grateful for your heart in this work.

I am writing to ask you to help me make our New Member Orientation a permanent part of our church rhythm. From this point forward, we will hold the orientation on the **third Thursday of every month at 7:00 PM via Zoom**, any month we have a new member to welcome.

If no new member forms have come in that month, we will not gather that month. We will wait until the Lord brings the next one to us. Use your discernment.

YOUR PART, A SIMPLE RHYTHM

When a form comes in	Save the New Member Intake Form to our shared folder. That is the signal a new member is coming.
Two weeks before	Send the Welcome Email to each new member whose form came in since the last orientation.
Three days before	Send the Reminder Email .
The day after	Send the Follow-Up Email . It carries the Member Manual and the Membership Covenant.

“For God is not the author of confusion, but of peace.”
